Once you have downloaded the app, here are some hints to help you get the most out of it.

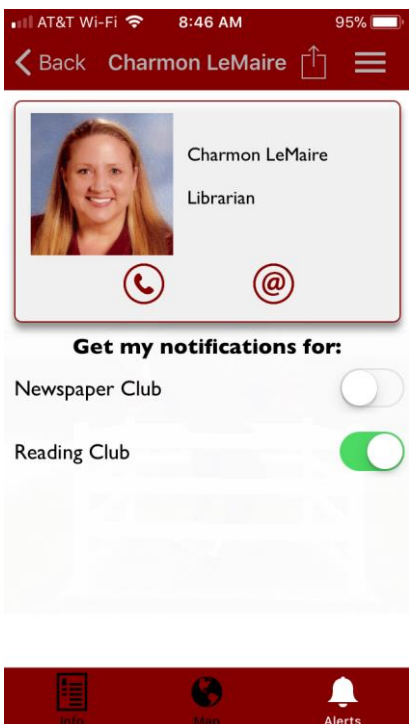

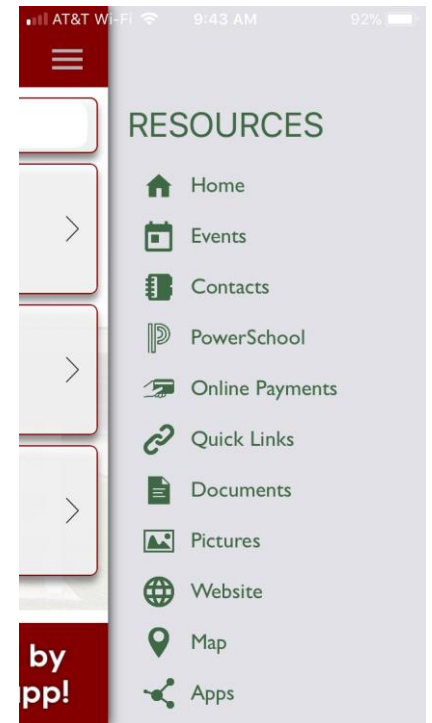

On the Home screen, there are four icons.

 The menu icon opens the side bar menu. →

 The phone icon allows you to call the school.

 The events icon opens the day's events.

 The contacts icon opens Email addresses and classes for each teacher/staff member.

Once you have selected a contact (teacher, coach, sponsor), click on the Alerts icon. If this icon is not visible, that contact has not set up any classes/teams/clubs.

 This allows you to choose the class/club/team for which you would like to get alerts. You can choose only the classes/activities in which you/your child are enrolled. You may turn these on/off at any time.

From the menu, select My Alerts.

My Alerts allows you to select which alerts you want to receive through the app and how often.
