

# New Student Pick-up Lane (After School)

Due to construction on campus, we have had to make adjustments to the traffic flow and pick-up locations in the afternoon for our students. Parents will no longer be allowed to pick-up students in the lane between student parking and our main building.

\*Our morning drop off procedures will not change since construction each day will not start until school begins.

Move into left lane if you need to turn left (N) on Hwy. 73. You will NOT be able to change lanes once you exit the student parking lot.

Once buses exit, parents will drive forward (remaining in two separate lanes) to pick up students.
