Registration

Register now if:

You are a Program Provider who is ready to send a digital flyer about your program to parents in schools who use Peachjar.

If you are a member of District/School Staff and your school uses Peachjar.

You are a Parent/Family Member and have been told by your school to register in order to begin receiving flyers, or if you are in a school who uses Peachjar but you don’t receive flyers via email yet.

If you are a Parent Group representative of a school using Peachjar.

Note: if you are a parent and your child’s school is implementing Peachjar and you have not been instructed to register, no action is required. Generally, parents are automatically registered by their school district and will receive an email with login instructions. If you did not receive login instructions, please make sure your email address is on file with your school.

What is the BASF TECH Academy?
The annual BASF TECH Academy is a week-long program sponsored by BASF in coordination with River Parishes Community College. Throughout the week, students visit a variety of workplaces to learn first-hand about technical careers and the education necessary for those jobs.

What kind of careers can I learn about?
If you are interested in technical and craft careers, this is your change to learn about:

• Welding
• Chemical facility operations
• Scaffolding
• Maintenance
• Laboratory services
• And so much more!

Who can attend?
The BASF TECH Academy is open to rising juniors and seniors in high school.

Parents and Students should start planning now for BASF Tech Academy 2020!
Shell Louisiana Youth Seminar
July 14-19, 2019

• Weeklong leadership camp held on the campus of Louisiana State University.
• Students go through a series of skill building exercises focused on leadership.
• Students are encouraged to make a difference and to apply their knowledge and experience in their schools and communities.
• LYS is specifically designed for incoming high school juniors and seniors who demonstrate leadership abilities in their schools and communities.

Parents and Students should start planning now for LYS 2020!
