CAMP PHILOSOPHY

Parents and players,

Thank you for considering **Gator Skills Camp**. Our staff has made a commitment to spend more quality time with our future players. We felt in the past, camp opportunities were too limited and we hope adding these camps can help us create a great relationship with your son and our football program.

The camp Philosophy is to provide solid fundamental football skills in a relaxed atmosphere. We will teach every boy the fundamental and advanced skills necessary to make him a better football player.

We will keep a very low player to coach ratio at this camp. Your son will have excellent learning opportunities in a small group setting.

I look forward to seeing your son at camp.

We have one of the best coaching staffs in the state of Louisiana and your son will be coached by our varsity staff and current varsity players.

I look forward to seeing your son at camp.
